The screenshot shows the SciSpace platform interface. At the top, there's a navigation bar with the SciSpace logo, a 'New' button, 'Try SciSpace Agent', 'Pricing', 'My Library', and a file icon. On the left, a vertical sidebar contains icons for Home, Library, Recent, Chat, Search, and Settings. Below this is a list of tools: Home (selected), Agent Gallery, Chat with PDF, Literature Review, AI Writer, Find Topics, Paraphraser, Citation Generator (highlighted in blue), Extract Data, and AI Detector. The main content area features the heading 'The Fastest Research Platform Ever' and subtext 'All-in-one AI tools for students and researchers.' It includes a search bar with placeholder 'Enter your search query' and three search modes: Standard, High Quality, Deep Review. Below the search bar are two search suggestions: 'How does climate change impact biodiversity?' and 'Why are aging Covid patients more susceptible to'. A large call-to-action button at the bottom right says 'Supercharge Your Research Workflow'.

The screenshot shows the Paperpal AI writing interface. At the top, there's a navigation bar with 'Write' selected. Below it, a banner says 'things you can try with Paperpal to Start Writing' with a 'Try top features' button. The main area has a text input field with placeholder text 'Type your language suggestions or type "/" to explore AI features'. To the left, there's a sidebar with sections for 'PAPERPAL FOR WRITING' (Chat PDF, New Web Document), 'PAPERPAL APPS' (For Microsoft Word, For Google Docs, For Overleaf), and 'PAPERPAL FOR MANUSCRIPT' (Plagiarism Check, Submission Check, Human Expert Services). At the bottom, there are buttons for 'Create an Outline', 'Ask a 'Research' Question', and 'Chat with PDF'. A sidebar on the right lists various AI features: 'Edit', 'Rewrite', 'Write', 'Research', 'Translate', 'Templates', 'Checklist', 'Chat PDF', 'Unstack', 'Upgrade', and a question mark icon.
